WRITTEN BY HARRISON BLEIBERG

Recently, here at Stream Childcare Academy, we have had a lot of "firsts."

We just had our first Halloween party, we've had many new students celebrating their first day of school, and we've had the pleasure of facilitating so many first friendships.

Education is all about "Firsts."

The first time a concept is introduced, it may be daunting; but with enough practice, children can become acquainted with the material rather quickly. "Firsts" turn into "seconds," "seconds" turn into "thirds." Before you know it, a previously "new" concept has become second nature.

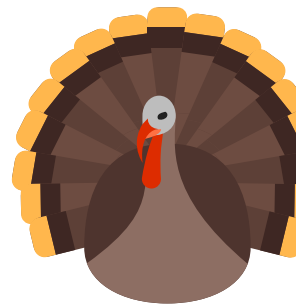

"Firsts" lay the groundwork for all of education, and we cannot tell you all how fortunate we feel that you have entrusted so many "firsts" to us.

We are looking forward to sharing so many more "firsts" with you all soon!
