# NOTES FROM THE DIRECTOR

Today, June 1, 2022, marks the 2nd year that Stream has been in business. We know that that's because of each and every one of our Staff members and Stream Parents. As we evolve, we want to make sure that we are reaching our academic goals.

Starting 2022-2023 school year, all classes 2 & up will receive homework sent home.

We will also have behavior folders that will come home daily.

As our center grows, our staff will grow as well. As some of you may have known, we have made some changes to the staff.

We will have summer interns as well as new staff members. Please know this this is to continue our success of Stream Childcare Academy. Thanks for being apart of our Stream Family!
