Welcome to the Streaming Newsletter

WRITTEN BY LATRICE WRIGHT

School newsletters are one of the most efficient and reliable ways to keep parents updated on all that is happening with their kids and the school. In addition to the daily reports sent by each teacher, we want to make sure that parents know exactly what each classroom is doing throughout each month. Due to COVID, we are not able to have parent and teacher meetings but this offers a better alternative. Whether it's in an email or a letter format, newsletters are a great way to connect with each parent within our Stream Childcare Academy (SCA) community.

In every classroom, the teachers are sending homework with the students. It is very important that each parent checks their folders for homework and sends it back. This allows each teacher to go over the homework and see where the child needs more help on. This also allows the parents to see what their child is doing that week of class.
